

Anatomy & Physiology Online & CD-ROM Course

Joyful Living Services is offering an Anatomy & Physiology Online & CD-ROM Course.

Course Details

This course runs for 16 weeks if taken online. Otherwise it is on CD-ROM. It contains 16 lessons on the web or on CD-ROM. If you are taking this course online, the files are in Microsoft Word RTF format and are ready to download. If you are taking this as a CD-ROM course, the files are in Microsoft Word RTF format on the CD-ROM. You will receive a certificate at the end of this course. There is homework with each session and there is a test at the end of the course. The homework and test will be graded as you turn them in. They will need to be mailed, faxed, or e-mailed to us. This course is on your own time so you can complete the lessons at your own pace. If you are going on vacation, are ill, or don't have the time every week to read the lesson and complete the homework you will not be penalized. Because this course is online or on CD-ROM and is on your own time, you are responsible for turning in your homework when it is done. You will receive your certificate once all the homework has been turned in and once your final exam is graded and passed.
