Toni Miller began her career as an NSP distributor. She was crowned "Queen of Iridology" by her peers at an International Iridology Conference in 2008.

Most clients want to have something they can read. Print off take home information sheets instantly.

Increase your income!

How does this program not only pay for itself but add to your bottom line?

You can produce professional customized reports for your clients

All sections can be selected and inserted into a Report at the click of the mouse. The information is written in friendly terminology designed to enhance your ability to explain Iridology, providing a tool that produces a valuable resource - a professional report to meet the individual needs of your clients. Most practitioners charge the equivalent to a first consultation for this optional extra.

AND....You can customize the report template with your details!

Plus.... add your own comments throughout.

The New Iridologist is an extensive yet cost effective multimedia software package for iridologists. This easy to use program was designed to educate and provide support to iridologists and their clients. This software will have a wide appeal as it is based on "Integrated Iridology" - a blend of foundational and advanced philosophies including Bernard Jensen, Joseph Angerer and many other Iridology masters. This is the most comprehensive program of its type in the world and includes over 35mgs of information including 100 colour graphics and over 200 high-quality photo samples with a detailed explanation of each sign.

"I recommend The New Iridologist software to all Iridologists. I generated \$3200 extra income and increased my weekly clientele by 200% in the first 3 months by producing reports with this program".
