

CurcuminBP (60 caps)

Stock Number: 238-2

Benefits:

- Encourages a healthy inflammatory response*
- Supports your body's immune, circulatory and glandular systems*
- Helps safeguard your body at the cellular level*

How It Works:

Strengthen your Body's daily defenses. This antioxidant-rich turmeric extract promotes a healthy inflammatory response while supporting your body's immune, circulatory and glandular systems. Formulated for maximum potency, CurcuminBP features black pepper, which studies show enhances bioavailability. Enjoy naturally powerful results with Curcumin BP — your first line of defense for a healthier life. *

Ingredients:

Curcumin—obtained from the rhizomes of the yellow curry spice turmeric(*Curcuma longa* L), curcumin has been safely used for centuries in Indian Ayurvedic medicine. A potent antioxidant, curcumin supports a healthy inflammatory response and may help with weight loss as well as support the skeletal, circulatory, digestive and immune systems.

Black pepper extract—a black pepper fruit extract from the *Piper nigrum* species, black pepper has been added to enhance curcumin's naturally poor bioavailability. Black pepper may also aid with some occasional digestive discomfort and has antioxidant properties.

Recommended Use:

Take 2 tablets daily with water.
