

FACE READING & IRIDOLOGY IN UNION

The face is a map, and the eyes are a map. Face Reading and Iridology work well together as they both show and confirm our states of health, genetic tendencies, personality qualities and traits and more. Discover how to read the face like a book. Learn the fundamentals of face reading and understand the multidimensional meanings of your face and its features. Face reading is a valuable assessment tool easily used with iridology.
