

Certified Muscle Testing Course

Course Details

This course is an audio CD course along with a bound manual. You will receive a certificate at the end of this course. There is a test at the end of the course. The test will be graded when you turn it in. This course is on your own time so you can complete the lessons at your own pace. If you are going on vacation, are ill, or don't have the time to read the lesson you will not be penalized. Because this course is on your own time, you are responsible for turning in your test when it is done. You will receive your certificate once your exam is graded and passed. There will be a private zoom at the end of this course.

Course Cost

This course costs \$150. The course needs to be paid in full up-front. It can be paid by check, credit card, or bank wire.
