Right Eye Sclera

Left Eye Sclera

*Each liver area has its own specific function.

PN = Phrenic Nerve

① etc., = Chakra points

Q = Quadrant

SN = Sciatic Nerve

Vas/FT = Vas Deferens/Fallopian Tube

A hybrid stylized projection map of the human sclera (using the sclera as a map to psycho-emotional and physical conditions), developed by LEONARD MEHLMAUER, HP, after Native American tradition, German Iridology, and the work of Wheelright, Tins, et al.
