

Become a Certified Children's Health Counselor Online Course

Joyful Living Services is giving a Certified Children's Health Online Course.

Course Details

This course runs for 16 weeks. It contains 16 lessons on the web. The files are in PDF format and are ready to download. You will receive a certificate at the end of this course. There is homework with each session and there is a test at the end of the course. The homework and test will be graded as you turn them in. They will need to be mailed or e-mailed to us. This course is on your own time so you can complete the lessons at your own pace. If you are going on vacation, are ill, or don't have the time every week to read the lesson and complete the homework you will not be penalized. Because this course is online and is on your own time, you are responsible for turning in your homework when it is done. You will receive your certificate once all the homework has been turned in and once your final exam is graded and passed.

Course Cost

This course costs \$300. The course can be paid in full up-front, in two payments, or monthly (whichever is easier for you). It can be paid by check, credit card, or bank wire. This course must be paid in full up-front if on CD-ROM.

Special Double Course Discount

If you would like to take two courses at the same time, you can take them for a discount of \$100. Both courses you choose will cost \$500 instead of the regular price of \$600. Let us know if you want to take advantage of this special double course discount when you register.

Questions & Registration

Fill out the attached registration form and mail it to us along with your payment to Joyful Living Services, P.O. Box 485, Weimar, CA 95736-0485, USA. You can also contact us via e-mail at iridology@netzero.net, by phone at 530-878-1119. We will need your name, company if you have one, mailing address, phone, fax, e-mail, and payment information to complete your registration process.

Course Definition

Children's health encompasses the physical, mental, emotional, and social well-being of children from infancy through adolescence. Most parents know the basics of keeping children healthy, like offering them healthy foods, making sure they get enough sleep and exercise and insuring their safety. This course is designed to teach you about children's health including the common diagnosis, treatments, and alternatives available.
