CERTIFIED HOMEOPATHY COURSE - FINAL EXAM

Congratulations on completing the Certified Homeopathy Course through JLS. Be sure to confirm that you have submitted all your homework and that it has all been received. In order to receive your certificate you need to submit all homework sessions and you need to pass this test at 80%. The homework sessions are checked and graded but do not weigh heavily on the certification process. It's therefore very important that you spend the necessary time to answer the questions below as accurately as possible so you can pass this test the first time. If for some reason you do not pass this test the first time, you will be asked to take a follow-up test and there will be an additional fee.

This test will require some research on your part via the internet and possibly your local library. You are free to use our site at <http://www.joyfullivingservices.com> for help.

Once you have passed this test you will receive a certificate with your name on it. Be sure to fill in your name above EXACTLY as you want it listed on your certificate. If you want initials listed after your name on your certificate, be sure to write them in.

Please be sure to fill out the information above, complete the test and mail it back to us at JLS, P.O. Box 485, Weimar, CA, 95736-4085, USA.

PLEASE ALLOW 2-3 WEEKS ONCE YOU HAVE SENT IN YOUR FINAL EXAM TO RECEIVE YOUR CERTIFICATE.

1. Please describe in 300 words or less what homeopathy is, how it works, and why you would want to use it in your practice.
2. Please see a new client and take their history. Use whatever form of analysis you normally use with your clients to determine what they need. Go to the [REPERTORY by Oscar E. BOERICKE, M.D.](#) and determine which areas need assistance and which remedies are needed. Write a report about your client's life, history, symptoms, and areas of concern in their body. List the areas along with the remedies you have chosen and why. This report needs to have as much detail as possible and should be no less than 3 pages long. Be sure to list the forms of analysis you used and what you determined through those analyses.
