1. Acupuncture treatments are a must.
2. Dr. Frank with NSP said in one of his workshops that it would be a shame for anybody with MS to NOT be on Thai-Go. He gave several reasons, one being that a compound found in Thai- Go has an affinity for the mylene sheath that lines the nerves.
3. Lots of lecithin and colostrum as well as foot spas regularly. VSC because there seems to be a viral component in all the cases.
4. Products can be purchased from: <http://www.mynsp.com/generali/index.aspx>
